CITY'S BIG CHRISTMAS PARTY SATURDAY

SANTA CLAUS TO ARRIVE AND DISTRIBUTE CANDY TO CHILDREN OF DISTRICT

MIDDLEFIELD ROAD ENTRANCE TO COUNTY COURTHOUSE FESTIVE SCENE

Happiest season of the year for the community's youngsters, a month-long pre-Christmas period, will be ushered in Saturday night at the annual Redwood City retail merchants Yuletide party.

Santa Claus will arrive in person at the Middlefield road entrance to the county courthouse at 7:15 o'clock, and with him will come a truckload of candy gifts for children of the Redwood City district.

Two thousand bags of candy have been ordered by Santa Claus to accomodate the huge crowd of youngsters who always come out to greet him on the occasion of his annual pre-Christmas visit to Redwood City.

Streets will be gayly decorated in festive greens and stores will light up their windows and decorate their interiors with the finest that the Yuletide season demands. Colored lights will also add a Yuletide note.

Merchants will hold "open house" to show off their Chrisctmas stocks, which this year are finer than ever and in greater variety. Price tags, too, are correct and the Redwood City housewife can be assured that she will be getting the best by buying in her home-city stores.

Store windows, as usual, will vie in their beauty for the big silver trophy offered each year by The Tribune to the best decorated window. Originality, sales appeal and attractiveness will be the judging factors.

J. Paul Moore, Dean J. Coovert and Eugene F. Bishop have been named to select the display worthy of the perpetual trophy this year.

Last year Reinhard & Company won the trophy, which is a beautiful cup, mounted on an ebony base. It can be seen at their store until December 1, at which time it will go to this year's winner, to be kept for a year.

Kendall B. Towne and Al Bechet head a committee of prominent merchants who pledge that this years' party will be the finest community affair yet held.

By all means be on hand and bring the children to see Santa Claus and to collect their candy gift.

Group Insurance Plan Is Offered County Workers

Employes of San Mateo county are being offered a chance to secure group sickness insurance at low costs, it was disclosed in a letter sent county officials by Executive Walter Kellogg today.

Seventy-five per cent of the male employes of the county must sign up for the insurance before it can be secured. The Travelers Insurance Company of Hartford is the firm selected.

Although accidents to employes while they are at work are covered by the Workmen's Compensation Act, protection for illness and outside accidents, which account for approximately 90 per cent of absences from work, has not been provided by the state or county, according to Kellogg's letter.

The plan has been devised to eliminate hardships on families of the officials suffered when the worker is sick, Kellogg explained. Cost of the insurance will be deducted monthly in advance from the pay of the employes, according to the plan outlined. Hope for a 100 per cent sign-up of employes was expressed by the executive.

BEDER'S NEW STORE OPENS ON SATURDAY

Style Centers Send Latest Offerings For Event

Mr. and Mrs. Max Beder today announced the opening of their new apparel store for women and misses at 2607 Broadway .

The new store will be finer, larger and more complete in every way than the present location. New stocks from the style centers of the nation have been received especially for the opening and the event promises to be one of the outstanding style promenades in the history of Redwood City.

Mr. and Mrs. Beder came to Redwood City five years ago and established a store at 2644 Broadway and later moved to 2521 Broadway where they have been located for the past three years.

The new store is the culmination of long planning by Mr. and Mrs. Beder to have a distinctive women's store that would be among the finest on the peninsula.

The store was completely re-modeled and designed to the specifications of Beder's at a cost of more than $5000.

Mr. and Mrs. Beder have been associated with the women's apparel business for the past 15 years and hold a high position in the industry.

A box of delicious chocolates will be presented to everyone who makes a purchase on Saturday, the opening day.

Announcement was also made that Miss Mabel Murphy of Redwood City has become associated with Beder's and will be on the sales staff in the new store.

Frank Thompson Jr. Case Is Postponed

Arraignment of Frank Thompson Jr., former fire warden and present Almaden postmaster, on a charge of hit-run driving, was postponed 2 weeks when he appeared in Superior Judge Franklin Swart's court yesterday afternoon. Postponement was made at the request of Thompson's attorney, and agreed to by district attorney to allow more time for investigation of the case.

City Council At Atherton Balks Union

BOARD DECLINES EVEN TO HEAR PROPOSAL

Mayor J. A. Donohoe and City Attorney A. H. Reddington of Atherton have declined to serve on the San Mateo county committee which is now engaged in a study of the proposed city and county consolidations plan in San Mateo county.

At a meeting of the Atherton Town Council late Tuesday afternoon, the city clerk was instructed to notify Mayor Allan F. Hunt of Burlingame, committee chairman, that neither Donohoe nor Reddington are to be considered on any committee furthering the city-county plan movement.

It was pointed out that Atherton has nothing "for or against" the movement. Mayor Donohoe explained that the Atherton council knows nothing about the plan and hence does not feel ready to place representatives on a committee at this time.

A request of Edward Doyle to withdraw the "Ringwood Park" tract which he owns from subdivision was favorably received by the council and referred to the town planning commission for action.

SET-BACK STUDIED

The planning commission will also receive for study a resolution from the county planning commission urging the city to establish 30-foot set-back lines back from the future boundaries of El Camino Real through Atherton. The object of the resolution is to prevent construction of buildings flush with the edge of the highway when it is eventually widened.

Mrs. Alice Lynch requested the council to rezone a portion of her property facing El Camino Real from residential to business classification to enable her to sell the land. She said that her holdings, adjoining the Redwood City boundary, are so close to other business property that they cannot be sold so long as they are classified as residential.

She further indicated that she would take steps to remove her property from Atherton and have it annexed to Redwood City if the classifications cannot be changed.

The council took the matter under consideration. Mayor Donohoe said it had been the attitude of the council in the past to prohibit business development on the state highway through Atherton.

The city clerk reported collection of $30 in court fines during November. Permits were issued for building construction in the amount of $2500 for the same period.

SHELTER QUIZ DROPPED

Interest of the board of supervisors in conditions at the San Mateo shelter was dropped Monday when Robert J. Koshland, chairman of the San Mateo County Emergency Relief Committee, said the place would be closed as soon as possible.

M. P. Protests Rail Underpass For Oak Grove

RESIDENTS URGE RAVENSWOOD SUBWAY

Construction of an underpass at the intersection of Oak Grove avenue and the Southern Pacific railroad tracks in Menlo Park is opposed by owners of property near the intersection, it was disclosed Tuesday when a petition of protest was read at a public meeting called by the Menlo Park Chamber of Commerce.

At the same time the suggestion was made that an underpass be constructed instead at the Ravenswood avenue grade intersection. The suggestion met with no opposition from the audience which filled the city hall.

Tuesday's meeting was called by J. H. Sullivan, chamber of commerce president, for public discussion of the grade separation question and the city water problem.

Sullivan expressed the opinion that San Francisco may reduce rates for its Hetch Hetchy water sufficiently to permit Menlo Park to consume water from the Sierras in place of that supplied by the Bear Gulch Water Company from local wells. Hetch Hetchy water would be distributed through the Bear Gulch system for local consumption, it was pointed out, provided satisfactory rates can be obtained.

W. H. Weeden, city councilman, said that a committee whose membership he did not disclose is working for creation of a county water district which could effect a 32 per cent reduction in water rates.

Twenty-three Menlo Park residents who own property on Oak Grove near the railroad tracks signed the petition protesting against the proposed underpass on that street. The protest states that property damages would be involved, and that property owners would not suffer such damage without compensation.

The grade separation program calls for federal financial aid only where the work can be started immediately without any question of property damage being involved.

The protest petition, addressed to the city council, will be read before that body at its meeting tonight.

It was pointed out last night that Ravenswood avenue is better adapted for an underpass for the following reasons: Ravenswood avenue provides a direct link between El Camino Real and Bayshore highway, and with Dumbarton bridge. Furthermore, there are few property owners on that street.

HILLS COFFEE HEAD SUICIDES IN S. F. HOME

SAN FRANCISCO, Nov. 27 (UP) —Reuben W. Hills, 78, president of Hills Bros. Coffee Co., shot himself to death at his home here today, police reported.

A nurse, Miss La Vern Steffron, found his body, slumped in the bathroom, a colt revolver in his hand. He had shot himself through the mouth.

Hills had been despondent because of ill health, police said. He had been suffering from asthma.

The nurse had been caring for him since the death of his wife.

Hills Brothers is one of the largest coffee concerns in the West.

High School Pupils Working on Essays

Sequoia students with literary ability or a longing for a $10 first prize were today working on essays, as a result of two contests which are being held at the school.

"Has the Educated Person a Better Chance?" is the subject in the deputations committee of the University of California's contest, while a Redwood City business firm is sponsoring a contest, subject of the essays entered being limited to "The Townsend Old-Age Pension Plan."

In each case, first prize is $10.

HEARING CONTINUED

At the request of defense attorneys, time to plead for Thomas Hogan, Archie Bigazzi and Natchie Mendola, charged with kidnaping Wesley Strong, Daly City bank teller, was continued Monday until next Monday.

SUPERVISORS TO SELECT FIRE COMMISSION TO GO INTO RURAL AREA NEEDS

PRESENT TRUCKS CALLED UNFIT FOR PURPOSE

Declaring that "it has taken something terrible to awaken us," Supervisor Albert Witt, Monday secured supervisorial authorization for the appointment of a San Mateo County Fire Commission to undertake a study of means of furnishing fire protection to areas outside incorporated cities.

Chairman C. V. Thompson will appoint the commission after selections are made by the individual supervisors from among the fire chiefs of the five townships.

Action of the board followed the destruction of the William Scott home near here last Thursday and the infliction of serious burns on Kenneth Scott, 4 months old.

Bert Werder, San Mateo county fire warden, who attended the hearing, declared before the board that his department is not equipped to handle house fires, and its protection is primarily for forest areas.

"This is just an unfortunate instance where someone was caught," Werder told the board, in answer to criticism by Witt over the delay in getting equipment to the fire.

DESERVE PROTECTION

Witt expressed a vigorous opinion that taxpayers in the unincorporated areas were entitled to fire protection "for their tax dollars."

The fire warden agreed with Witt that the county has a "very definite responsibility" to these outside areas.

Citing his lack of equipment, Werder said that 17 house fire calls have been handled during the year and except in two instances, "only the hot water boiler and the pipes were saved." The 17 fires had resulted in a loss of $32,000.

Most calls, he said, come in "too late" and the work of the department is usually centered in preventing the spread of the fire.

Werder said that an enormous expense would be entailed in attempting to furnish adequate house fire protection to all unincorporated areas. This service, he said, costs Los Angeles county $1,250,000 yearly.

The fire warden said that most departments in the peninsula area respond to emergency calls outside the cities when county or district equipment is in service. No criticism was offered of departments which did not do this, as Werder cited instances where voters of the outside areas had been offered the chance to incorporate to enjoy the fire protection and had refused to consent, asserting:

"Why join the city; they will send the fire apparatus out to us anyway."

Werder said these outside areas should look after their own interests "and not cry when there is an accident."

LEGISLATION READY

The warden pointed out that there are several acts of the legislature which permit outside areas to contract with the cities for service. Councilman Paul McCarthy of Redwood City said the municipality would perhaps be willing to supply this service but not at the expense of Redwood City taxpayers. Service may be based upon each call or yearly contracts.

Supervisor John Poole, Redwood City, speaking on the fire situation, said he believed the departments within the cities should respond immediately to determine if life is at stake.

District Attorney Edmund Scott informed the board that the proposed fire commission will have limited powers and will not be authorized to spend any funds. It may bring in recommendations, however for attention of the board.

Jury Lays Blame For Fatal Wreck On Crash Victim

BURLINGAME, Nov. 27.—A coroner's jury investigating the death of Mrs. Clara Simon, who died of injuries sustained in a collision near here election night, expressed the belief today that the accident was caused by reckless driving on the part of Raymond Macadine, who was killed outright in the accident. Mrs. Olive Mignault also received fatal injuries in the crash. A jury investigating her and Macadine's deaths had returned an open verdict.

24-HOUR FIRE PROTECTION PLANDRAFTED

Warden's Equipment To Be Maintained In Garage Here

County fire fighting equipment will be moved December 1 to the county garage at 842 Walnut street, where an attendant will be on duty 24 hours each day to answer calls from outside incorporated cities, it was announced today by County Executive Walter Kellogg following a conference with Fire Warden Bert Werder.

Besides the advantage of having someone subject to call at all times, the county will benefit by having to pay no rent for the equipment's storage. In the past the equipment has been stored in a private garage.

The move was made as the result of agitation for better fire protection in unincorporated areas following the fire on Middlefield road recently in which 4-month-old Kenneth Scott received serious burns and his parents, Mr. and Mrs. William Scott, lost all their possessions.

Telephone calls for the equipment to answer any type of fire outside cities can be made to Redwood City 2180, Local 3.

Lamson Counsel To File Motion For Dismissal

SAN JOSE, Nov. 26 (UP)—Attorneys of David Lamson today filed in superior court here a motion for dismissal of the charge that Lamson murdered his wife, Allene, on Memorial Day, 1933, in their Stanford University cottage.

The motion will be heard by Judge R. R. Syer on Friday. If it is denied, Lamson's counsel will seek his release on bail under a motion filed previously.

The action today was regarded as a defense move to force District Attorney Fred Thomas "out into the open" on the Lamson case.

Today, after filing of the motion for dismissal, Thomas issued a statement which appeared tantamount to an announcement the district attorney will retry the case.

Germain Case Is Submitted After Hearing

The application of Mrs. W. C. Germain of Menlo Park for a writ of habeas corpus, following her recent arrest on a charge of violating a county ordinance which prohibits keeping more than one dog in certain restricted districts of the county, was submitted in briefs to Superior Judge Maxwell McNutt late Monday.

The arrest of Mrs. Germain and subsequent hearing yesterday is regarded as a test case of the county ordinance.

ENGLISH GRADING CHANGE IS MADE

Diplomas of Students Will Bear Marks Of Proficiency

Criticism levelled at Sequoia and other high schools which graduate students who apparently possess but a limited knowledge of English grammar has been answered by the adoption of a new system for grading diplomas and new English requirements, it was revealed today. The new system goes into effect at the next graduation, according to Miss Juliane Wolters, vice principal.

The change is being made to give a fairer evaluation of what the graduate has accomplished in the way of writing and speaking correctly and clearly.

English courses in high school fit the students who cannot have a college education to meet the trials of life after graduation, as well as train another for college. Efforts should be made by every student, regardless of his ambition, to secure as much knowledge of the subject as possible, according to the English teachers, who urged the change.

The emphasis put on English is necessary because of the often repeated question advanced by college instructors and employers, "Why don't you teach your graduates more English?" according to Miss Wolters.

Three different grades will be marked on diplomas of graduating students, she said. They are as follows:

1. Recommending — For this grade four years of English with at least a "B" average and a "B" grade in senior composition.

2. Acceptable — No less than three-and-one-half years of English with at least a "C" average.

Deficient—Three years of English, including I, II, and III, or a "D" average.

As decided upon by the teachers, requirements for graduation are as owlfsol : ngr,"sirt follows:

1. Each student is to be registered in English until he has four credits or is graduated.

2. No student may take English III until he has a credit and a half in English I and II.

3. No student may hereafter take two full years of English II, or III and IV at the same time, or double in English IV unless he has not failed in an English course previously.

County Requests Additional State Patrol Officers

San Mateo county will seek additional traffic officers as soon as possible to handle the patrol of roads, the board of supervisors determined Monday.

Supervisor Albert Witt, Colma, said the opening of the Junipero Serra boulevard has made necessary additional officers.

No mention was made by Supervisor Witt as to the number of new men who will be needed.

Fighting Game Cocks Worth $400 Stolen

Two fighting game cocks valued by their owner at $200 each, and four turkeys worth $4 each were stolen Saturday from the pens of James Ferrell, who lives on Woodside road, Redwood City, he reported to local police.

Student Papers Attack Spirit Of 'Big Game'

TEAMS, ROOTERS, COACH FLAYED BY DAILIES

Football teams, a coach and rooters alike were the objects of editorial attacks Monday in Stanford and University of California student newspapers as an aftermath of the bitterly fought Big Game Saturday which Stanford won, 9-7.

At Stanford charges of rough play and poor sportsmanship were hurled at the other university, while the Daily Californian, student publication at Berkeley, not only criticised the California rooting section, but took Coach Bill Ingram to task and warned him not to "stick his neck out."

Both editorials alluded to the singing of "The Cardinals Be Damned" by the Californians after the game.

"BLOODY SPECTACLE"

Stanley Beaubaire, editor of the Stanford Daily called the game "a bloody spectacle of 60 minutes that saw fists fly and blows register on weary flesh when officials were looking the other way."

Walter Christie Jr., editor of the California paper, offered what the editorial termed "a polite suggestion" to Coach Ingram:

"Don't tell newspapermen in the middle of the summer that you intend to play in the Rose Bowl—in other words, don't stick your neck out."

SONG TERMED VILE

As for the song the California rooters sang the Stanford Daily referred to it as an "obnoxious, phonographic ditty in an unexpurgated version of one of the vilest songs on record."

The Daily also recommended the coaches issue the edict:

"Play clean or don't play at all."

Reference to the rooting section in the Berkeley paper was made in this way:

"Aside from the Bear rooting section's unsportsmanlike and hoodlum sounding shrieking of "The Cardinals Be Damned" after the game, which might easily be conof poor sports that don't know strued that California has a bunch how to take it, the spirit was friendly."

The Stanford editorial ended with a plea that "the friendly rivalry that was once California's and Stanford's be revived, that dirt and filth be removed from thoughts as well as actions, that there be no more 'hate' and that future relations be clean."

Students Speak About Sequoia To Other Pupils

Students at Sequoia high school are to be informed about school activities, systems, and departments by other students, it was revealed today when Miss Alberta Reibenstein announced the list of subjects upon which her public speaking pupils are prepared to talk to advisory rooms.

Topics of speeches now ready are: "Boys' Athletics in Sequoia," "The Merit System," "The Student Court," "The Tradition of Sequoia," "The Service Point System," "The Block S System," "The Cultural Activities," "Girls' Clubs," "School Assemblies," "Trees on the Campus," "Board of Student Welfare," "School Seal," and "Girls' Athletics in Sequoia."

"I hope the freshman and sophomore rooms particularly will take advantage of this opportunity to know the school better," stated Miss Reibenstein. "It will give the juniors and seniors a good chance, too, to brush up on the school's history."

Giovanni Bignotti Passes Suddenly

Giovanni Bignotti, resident of Woodside for the past seven years, died Tuesday at Mills Memorial Hospital of pneumonia. Stricken at his home on Glenwood avenue Sunday afternoon, he was rushed to the hospital, where physicians made a futile effort to save his life.

He is survived by his wife, Catherine Bigotti, and five children, Mrs. Gus Risso, Mrs. John Depaoli, Mrs. George Lagomaisno, Mrs. William Sweeney and James Bignotti. He was a native of Italy.

$500 Damage Done By Burlingame Fire

BURLINGAME, Nov. 26.—Damage estimated at $500 was done to the house of Leonard Reinhardt, 1041 Balboa avenue, Saturday night by a fire which, it is believed, originated in a rubbish pile in the basement of the home.

A coal barge has been made of the historic American prison ship Southery, which was formerly based at Portsmouth, N. H.

Harry Peckham, S. M. Business Leader, Passes

SAN MATEO, Nov. 27.—Following a period of ill health, which was climaxed a few days ago by a serious illness, Harry A. Peckham, 57, prominent here since 1907, died today at the home of his mother, Mrs. H. C. Peckham, in Watsonville.

Peckham, who was born in Watsonville, was graduated from Stanford University in 1900. He was one of the city's pioneer business men, having engaged until a short time ago in the moving and storage business. He was chairman of the first city planning commission, and an early president of the Burlingame-San Mateo Kiwanis Club.

Besides his mother, Peckham is survived by his widow, Mrs. Azel Peckham; a son, Avis; a brother, Douglas S., of Taft, and a sister, Mrs. M. F. McCormick of Fresno.

Funeral services will be held from the Snyder parlors here at 2 p. m. tomorrow, with interment following in Cypress Lawn Cemetery.

Scotts Settled in New Home

BABY, TOO, RECOVERING FROM BURNS

Food Most Urgent Need Now

The William Scott family, which was burned out of its home here last week in a fire which has since stirred up a great deal of controversy among county officials, was today located in a new home on Eighth avenue.

And better yet, little Kenneth Scott, 4-month-old baby who received serious burns in the fire, was improving so rapidly at the Community Hospital in San Mateo that bandages were removed from his burned arms and face today. A congestion in his lungs was noted however, hospital attaches reported.

But—something essential is lacking in the Scott home, it was revealed today by Mrs. George L. North, local Red Cross worker who has been helping the Scotts restore their home. And that is food! It took all of the money young William Scott, SERA worker, possessed to meet the rent on the new home, and now the family has nothing left for victuals, Mrs. North reports. They are promised a basket from a local church for Thanksgiving, but until that time a young mother a father and three children, aged 6, 4, and 2, may go hungry.

So, Mrs. North today issued an appeal for someone to give the family something to tide them over for a few days. Contributions may be made by telephoning her at Redwood City 2049, or may be left at The Tribune.

The Scotts have been outfitted with clothing by Red Cross and Emergency Relief officials, and have beds and bedding for the new home. But linens, dining room furniture, and living room equipment are badly needed, Mrs. North states.

And above all, the father, who is a 26-year-old mechanic, wants a steady job.

Who can help?

$30,000 PLEDGED Toward Better Homes IN LOCAL DRIVE

One third of the Redwood City goal in the better housing campaign had been reached today, Henry Witte, chairman, and C. R. Hancock, field supervisor, reported, as $30,000 in pledges were recorded.

Witte and Hancock are anxious to secure full co-operation of Redwood City citizens in this national better housing program. They urge persons who contemplate improvements in the near future to undertake them now.

Those who have already sent in their pledges are requested to consider the early start of actual work on improvements so as to stimulate work during the Yuletide season.

Pledges should be telephoned to the housing committee at Redwood 89.

Britain and America To Agree on Tonnage

(Copyright, 1934, by United Press)

LONDON, Nov. 26 (U.P.)—American delegates to the naval conference have suggested to the British the possibility of an informal agreement by which, if the Washington naval treaty lapsed, they would not build against each other but might be free to match Japan's level, it was understood today.

It was said that the British showed no desire to enter into any such agreement.

Two Escape Injury When Cars Hit Here

Although the car driven by T. K. Tanaka of R. F. D. Box 359-C, Redwood City, was turned over on its side, no one was injured on Monday when Tanaka's sedan and a roadster driven by R. O'Brien collided at the corner of East Brewster and Warren streets.

Mrs. Devol Protests Relief Office Closing

Protest against the discontinuance of the Menlo Park relief office was entered before the board of supervisors today by Mrs. Dora Scott Devol, and the county ordered an investigation to see if the office can be reopened.

Mrs. Devol also protested the maintenance of the Germain kennels in her neighborhood, and the establishment of a riding school nearby. The former proposal is now in the courts, and the latter was referred to the planners.

San Mateo Woman Sues for Divorce

Charging cruelty, Mrs. Edith Vettoretto of San Mateo today filed suit in superior court here for divorce from Vincent Vettoretto. The couple, who married in Fresno in 1922, have two children, Catherine, 11, and Irma, 8, according to the complaint.

Some factories in Scotland have started an "all-Scottish-labor" movement.

INVENTOR STANDS PAT ON JUDGMENT

Menlo Park Resident Wins on Default In Film Suit

Telephone and telegraph wires hummed today between San Francisco and Hollywood and New York in an effort to save the Fox Film Corporation from giving up millions to Leon F. Douglass, San Francisco and Menlo Park inventor, for alleged infringement on his color photography patent.

Attorneys for the film concern even appealed personally to Douglass at his Menlo Park home, but after a conference with his attorneys, Townsend & Loftus, he decided to stand pat.

Douglass obtained a default judgment from Federal Judge St. Sure. According to officials of the Fox Company, the suit was referred to the Will Hays organization in New York.

Suit for $50,000 Result of Mishap

Suit for $50,000 for the death of her son, Roe Westfall, was filed in the Santa Clara county superior court in San Jose yesterday by Mrs. Vera Kidder of 169 Tasso street, Palo Alto. The defendant is Clarence Genasci, of 259 El Camino Real, Menlo Park, driver of the truck into which 17-year-old Westfall crashed while riding on his motorcycle last October 3.

The Westfall boy suffered a broken back. Police reports indicated that his motorcycle skidded 45 feet before striking the truck. The boy died in the county hospital near San Jose a short time after the accident.

Mrs. Kidder is represented by Avery Howe and Arnold Rumwell.

Jurist to Decide Fate of Anderson

Whether M. O. Anderson of Salada Beach, convicted in Justice of the Peace Ellis Johnson's court of stealing water, will get a new trial, have his conviction reversed or secure a lighter sentence will be decided in the near future by Superior Court Judge McNutt.

Motorist's Nap Fails to Keep Him on Highway

Fred Jenny of San Francisco knows how to sleep, but when it comes to waking up, it seems to take quite a shock to accomplish that purpose.

At least that is the way it looks from the report given local police of an accident which occurred here last night.

Jenny, according to the report, became sleepy while driving on the Bayshore highway. He pulled into a closed oil station at Main street on the highway, at 10 o'clock last night, and proceeded to sleep. In about an hour he awoke, or at least thought he did, and started his car. He forgot to turn on his lights, however, and drove straight across the highway and over the embankment, thinking he was following the road.

NOTICE
No. 5614

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

In the Matter of the Guardianship of the Person and Estate of HAROLD CURTIS BANCROFT, an Incompetent Person.

NOTICE IS HEREBY GIVEN that Maude M. Bancroft, as Guardian of the estate of Harold Curtis Bancroft, an incompetent person, has this day filed her petition in the above entitled Court seeking an order authorizing her as such guardian to borrow a sum not exceeding $205.88, from the Security-First National Bank of Los Angeles, and in connection therewith to execute a promissory note or promissory notes not to exceed in the aggregate the sum of $205.88, secured by Deed of Trust upon the undivided one-seventeenth (1-17th) interest of said incompetent in the hereinafter described property, and reference is hereby made to the Petition on file herein for further particulars.

Said property is situate in the City of Los Angeles, County of Los Angeles, State of California, and described as follows, to-wit:

Lot Two (2) and that portion of Lot Seven (7) lying South Westerly of the North Easterly line of said Lot Two (2) extended South Easterly to the South Easterly line of said Lot Seven (7) of Townsend's Subdivision of a portion of Block "B" of the Mott Tract, in the City of Los Angeles, County of Los Angeles, State of California, as per map recorded in Book 1, page 41 of Maps, in the office of the County Recorder of said County of Los Angeles, State of California.

The interest of said incompetent therein being an undivided one seventeenth (1-17) interest.

NOW, THEREFORE, NOTICE IS HEREBY GIVEN that the hearing of said application will be heard before the above entitled Court, in the Department of the Presiding Judge thereof, in the County Court House, in the City of Redwood City, County of San Mateo, State of California, on the 10th day of December, A. TWO FRAZER STORES SOLD AT AUCTION

S. F. Firm, Palo Alto Clothier Acquire Merchandise

Sale of two Palo Alto stores operated by James Frazer, pioneer merchant, who died suddenly in San Mateo some months ago, was agreed upon Wednesday by counsel for the administrator and heirs after the opening of bids here at the offices of Ross & Ross this morning.

Bid of Weinstein Company, Inc., San Francisco, for $39,794.05 for the merchandise in the women's store was accepted, while T. C. Christy, Palo Alto clothier, won the men's furnishings in the separate store for $6000.

The sale of the merchandise of the two stores is subject to court confirmation on December 10.

Liberman-Rosencrantz Company, San Francisco wholesale jobbers and auctioners, represented at the bidding by Nat Wolff, offered $35,600 cash for the stock of the department store and $1350 for the fixtures, and $8125 for the stock of the men's store and $325 for the fixtures, for a total bid of $45,400.

E. J. Abelson, San Jose, who was asociated with several others in a proposal to maintain the stores as going concerns, offered $34,900 for the stock of the two stores and fixtures. This bid was divided as follows: $26,400 for all merchandise in the department store and $1500 for the furnishings, and $6500 for the stock of the men's store and $500 for the furnishings.

Abelson and asociates proposed securing a lease for the rental of the department store for a 10-year period, agreeing to pay 4 per cent of the gross receipts as rental, or no less than $600 per month for the entire period. They also proposed to assume the lease of the men's store which has nine months to rent at $400 per month, or $3600.

W. H. Kelly, Palo Alto real estate broker, who did not disclose whom he represented, offered $30,000 cash for the department store, $28,000 for the merchandise and $2000 for the furnishings.

Weinstein Company, Incorporated, San Francisco, offered the highest bid in the sum of $47,594.05 for the merchandise in both the department and men's stores. Weinstein was not interested in maintaining either of the businesses and agreed to remove all stock from the Palo Aito stores within five days. The stipulation was also made that none of the stock would be offered for sale in Palo Aito or vicinity.

The Weinstein bid was broken up as follows: $39,794.05 for the stock of the department store and $7800 for the stock of the men's store. This did not include the fixtures, nor did it offer to assume any leases on the two buildings.

Weinstein's was represented by Bernard Weinstein, nephew of the concern's president, Isidor Weinstein.

Kelly's offer included a lease of the premises for 10 years at a rental of $500 per month for the first year, and 3 per cent of the gross receipts for nine years, with a guarantee of a minimum rental of $600 per month. The bid was subject to a commission of $2000 for the sale of the stock and lease arrangement, making it net $28,000 cash.

The bidder represented by Kelly was prepared to become part of the community and to maintain the store as a going concern.

T. C. Christy, Palo Alto clothier, offered $6000 cash for the stock of the men's store. He offered to assume the lease of the present store on Emerson street, near his own, for the nine-month period it was to run.

In a separate bid, Christy offered to buy the furnishings for $300.

Christy reported that he was not interested in retaining the name of Frazer for the store.

The proposals were opened in the presence of the bidders and the following attorneys: Hall C. Ross, Lee T. Ross, A. H. McGovern and Lorenz Costello, for the administrator, Dr. J. C. McGovern, who was also present; Nelson H. Tunnicliff of New York, and Earl T. Cloud, Baywood, who represents the heirs.

Tunnicliff, who has disclosed the names but not the residences of the heirs, reports that there are four nieces and nephews and nine grandnieces and grandnephews.

Gaining in Public Esteem

Few men in public life have grown more rapidly in public esteem and regard than has Governor Merriam in the few months since he has assumed the duties of the governorship.

When he became governor the people of the state were not prepared for the revelation of his character and personality which has come in the months since.

He has been called upon to make a few outstanding appointments. In doing so he has shown a breadth and understanding of men and their capacity that has been vastly reassuring. Perhaps the most significant of his appointments was that of Mr. Devlin, a stalwart progressive and a life-long follower of Senator Johnson, to a vacancy in the state railroad commission, a position that Mr. Devlin first received by appointment from Hiram Johnson when he was governor. His choice of Mr. Stockberger, as director of finance, and of former Governor Richardson, as director of banks, were alike based on the capability, honesty and high standing of the men appointed.

His course in calling out the troops at the time of the San Francisco riots was above criticism. It brought to an end the rioting and bloodshed that had occurred in the bay metropolis and led eventually to the satisfactory settlement of the conflicts that had arisen between capital and labor. It was not only what he did but the wise, moderate manner in which he acted that brought peace in that field of strife.—Santa Monica Outlook.

MENLO PARK NEWS

Miss Rita May was hostess last week to members of her club in Menlo Park. A midnight supper and dancing were enjoyed by the guests.

Mr. and Mrs. J. William Ryan of Menlo Park passed the weekend in Sacramento.

Mrs. Hilda Klotch, her young son and her finance, Vincent Dubuoit of Oakland, are enjoying the Thanksgiving holiday with Mrs. Klotch's parents, Mr. and Mrs. Richard Longfellow.

W. H. Weeden will attend a luncheon meeting of the Defenders League Tuesday.

Mrs. M. Coxen is spending the holiday in San Francisco.

Mrs. H. D. Cleary, who is ill in the Palo Alto Hospital, is making satisfactory progress.

Mr. Philip Sexton, who has been ill for several weeks is rapidly regaining his health.

The engagement of Miss Beatrice Doyle, the pretty and very charming daughter of Mr. and Mrs. J. J. Doyle of this city, and Glenn Stoner, a chemist for the Pacific Portland Cement Company of Redwood City, has been announced.

Father William Lyons, who passed away in San Francisco last Saturday, was pastor of the Church of the Nativity for eight years, from 1903 to 1911. He was a very much beloved priest. While here he made numerous improvements at the church. He erected the parish hall building which has served its purpose in holding meetings and for gatherings for the young people.

Father Lyons was a native of Ireland, age 75. Since leaving Menlo Park he was the pastor of St. John's church on Mission street, San Francisco, where he endeared himself to his vast congregation for his kindly disposition and his devotion to his sacred calling.

Many from Menlo Park attended the funeral on Tuesday. Archbishop E. J. Hanna paid a glowing tribute to the deceased at the services which were attended by hundreds from all parts of the bay area. Father Lyons will long be remembered by his friends.

DURST RITES AWAIT RETURN OF HIS BODY

Mother at Los Altos Believes Son Did Not Take Life

Pending the arrival of Mrs. Harold D. Durst at Butte, Montana, where Durst, Redwood City attorney, was reported in dispatches yesterday to have strangled himself to death, no funeral arrangements or plans to return the body have been made, members of Durst's family, who reside at Los Altos, said today.

Mrs. Durst, who left Tuesday evening for Butte when she heard her husband had been poisoned, has probably not yet learned of the man's suicide, members of the family said, as she was not due to arrive in Montana until this evening.

Refusing to believe her son had taken his own life, Mrs. John K. Durst, his mother, today grievedly expressed the opinion Durst had been the victim of poisoned liquor.

United Press dispatches from Butte said Durst, after having first swallowed poison in a vain attempt to kill himself, tied his shirt about his neck and strangled himself in a jail cell there. He had gone to Valier, Mont., more than a week ago on business. If he committed suicide, no theory as to why he did so has as yet been advanced.

BURLINGAME WOMAN DIES IN TAXI CRASH

Bay Region Accidents After 'Big Game' Injure Many

Festivities after the "Big Game" ended in death for a Burlingame woman Monday, and several San Mateo county residents were injured in automobile crashes over the week-end. Three other deaths in the bay region were attributed to football game excitement and subsequent celebrations.

The dead Burlingame woman was Mrs. Adelaide Whitney, 28, wife of a musician connected with radio station KFRC.

She was killed when a taxicab in which she was returning to her home yesterday morning collided with a car driven by Fred Warren of San Francisco. Warren and John Blanco, driver of the taxi, were both arrested on manslaughter charges, but released on bail. Miss Eleanor Schmelz, who was riding with Mrs. Whitney, was seriously injured.

Others who met death in the bay region were:

Dr. S. Richard Arthur, 29, Sacramento physician.

William Walter Katenbrink, 54, San Francisco packing company department manager.

Monroe Johnstone, 24, unemployed clerk, San Francisco.

NINE HURT IN CRASH

Nine persons were injured in a three-car collision on the Bayshore highway at San Mateo. They are E. J. Schmalling of Palo Alto; Jack Viersen, Walter Mills and Annie Patti, all of San Mateo; Edith Ashley, Oakland; William E. Hespelt, Anthony Fochetti, B. Fochetti, and Leo Vigmond, all of San Francisco.

When he attempted to avoid crashing into several other automobiles parked near the scene of a wreck, Harry S. McGovern, attache of the sheriff's office in San Francisco, was injured Saturday evening when his car skidded and overturned.

No one was injured in the other accident, according to investigating officers. Three cars, driven by Emmett Fredericks, San Francisco, George W. Schilling, San Francisco, and A. J. Berg, San Jose, were involved in the other crash.

HIT-RUN VICTIM

Believed to have been the victim of a hit-run accident, Henry Thomas, 56-year-old San Mateo carpenter, was today suffering from a possible fractured skull received in an accident which happened on the Bayshore highway

Toastmaster Club Organizes Here; Myers President

Seventeen men Monday signed the charter membership roll at the first meeting of the newly-formed Toastmasters Club, organization to further interest in public speaking.

Officers were elected as follows: B. E. Myers, president; Harold F. Anderson, vice president; Herman Phillips, secretary-treasurer. Virgil A. Anderson of the Stanford public speaking department will be chief critic for the group.

Others signing the charter were Donald L. Bogie, Dr. D. F. Brown, Perry A. Bygdnes, Willard E. Coburn, R. E. O'Connell Jr., Louis B. Dematteis, Stanley R. Gaskill.

ESCAPE INJURIES HERE

When their automobiles collided on Main street between Stambaugh and Middlefield road yesterday afternoon, Phil Peiser, of 834 Main street, and Louis Fanos, 921 Main street, both Redwood City, were shaken up but not injured, and their cars were slightly damaged, according to a report filed with the local police department.

Extinction of their profession is feared by gondoliers in Venice, since many motorboats are now acting as taxicabs on the canals.

Rail Crossing Closing Plan Is Protested

PROPERTY VALUE ALSO DECLARED AFFECTED

"Conflagration hazards" would be faced by San Mateo and other peninsula cities, including Redwood City, if the efforts to close several important crossings are granted, the state railroad commission was informed by Fire Chief Hugh Morris of San Mateo Tuesday.

Taking up another point, James Mulryan, secretary of the San Mateo City Planning Commission, charged that "substantial" property losses would be suffered on downtown business corners which would be affected by the closings.

Assemblyman Frederick Peterson, Burlingame, third witness before the hearing, which took place in the San Carlos City Hall, said that sentiment over the peninsula was against most of the proposed eliminations.

TIME DELAYS HIT

Morris, interviewed by City Attorney Ernest Wilson of San Mateo, said that fire departments require direct arteries and suffer serious time delays in taking circuitous routes. He said that the closing of Second avenue, San Mateo, for instance, would mean "two minutes delay."

The fire chief said this would be serious if a fire should break out in the six blocks of frame buildings just east of the railroad, and including Chinatown. He said the section was made up of some of the oldest buildings in the city and created a serious "conflagration hazard."

Morris also said that fire hydrants now situated west of the railroad would be cut off from the firemen and some 1,400 gallons per minute of water would be unavailable to the eastside.

It was pointed out by Morris that the section which would be affected is the "most inflammable" in the whole city.

DEPRECIATION SEEN

Mulryan said that the public convenience would be hampered and no greater safety would be afforded in the closings. He said that property would depreciate in value and rents would be reduced on several corners which now are valuable because of the large number of persons who pass there because of the existing crossing.

This flow, he said, would be cut off and the property "would not be worth much."

H. W. Hobbs, counsel for the Southern Pacific, which is hoping to secure the closings, attempted to have Mulryan explain the percentage of depreciation which would result, but the witness said he could not fix the damages. Wilson pointed out that this was a question for a jury in a court.

CITY OPPOSES CLOSING

City Attorney Albert Mansfield was at the counsel table watching the developments and offering opposition to the four proposed closings in Redwood City. Testimony offered by any of the witnesses is considered applicable to all of the cities.

Leon Whitsell, chairman of the railroad commission, is presiding. It is hoped to conclude the hearing today.

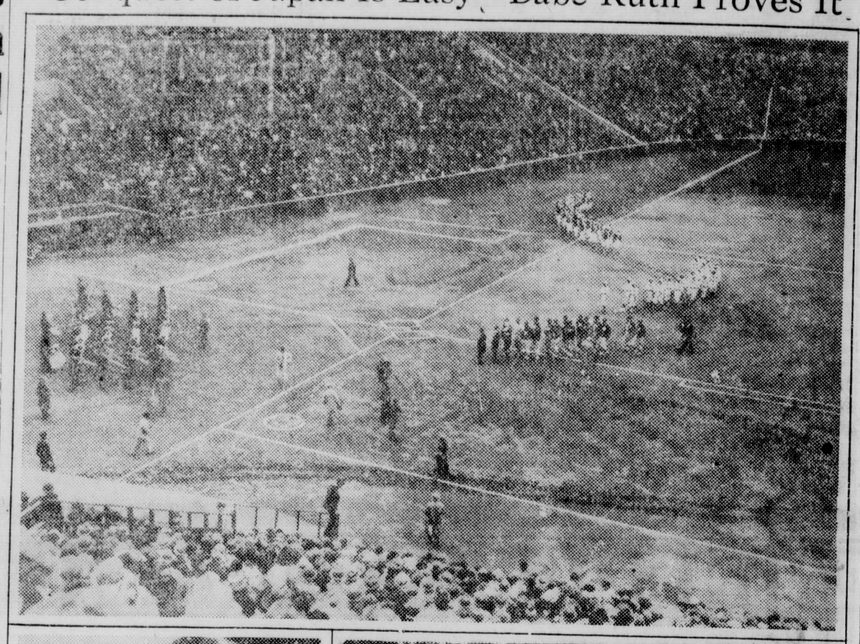
Conquest of Japan Is Easy—Babe Ruth Proves It



Japan, for the first time in its history, has adopted a foreign hero—none other than Babe Ruth. Through the length and breadth of the island empire acclaim has come to the mighty Bambino, touring the land with the American all-stars. Top picture shows a throng rivaling a world series crowd—60,000—gathered in Meiji Shrine stadium, Tokio, with the Americans leading the pre-game procession. Left, below, the Babe is giving his autograph to an admiring Japanese miss. Rapid Transit Intervention Is Authorized

M'CARTHY, WADE NAMED COUNSEL OF BOARD

San Mateo county today authorized intervention by two specially appointed attorneys to watch the interests of the peninsula tomorrow in San Francisco when the Interurban Electric Railway Company seeks the right to operate trains across the Oakland bay bridge.

Attorney Paul A. McCarthy, Redwood City, and Harry M. Wade, the latter known for his efforts on behalf of the Western Pacific, were appointed by the supervisors. The board also voted $500 for additional expenses for the rapid transit committee on the request of William H. Taylor of San Mateo.

Taylor, McCarthy and Wade pointed out the importance of the board intervening tomorrow before the railroad commission. The subjects of a franchise for the operation of bay bridge trains and rates to be charged will come up for discussion.

The spokesmen charged that the formation of the new interurban company will relieve the Southern Pacific of the necessity of supplying non-discriminatory rates and services between the Eastbay and the peninsula.

McCarthy and Wade will insist on protection of the peninsula region against unfair rates or services to the Oakland side of the bay.

McCarthy informed the board that engineering data authorized to be prepared in the rapid transit battle is ready, but that it now requires expert presentation to the railroad body. He said that if the peninsula did not protect its interests it would be "put into a box out of which it could never arise."

Wade pointed out that the public utilities act prohibits the Southern Pacific from maintaining any "unreasonable difference" between the peninsula and Oakland.

County Clerk Elmore B. Hinman heads the transit committee which will make tomorrow's fight.

HUNT SELECTS CITIES UNION STUDY GROUP

First Meeting Is Set For Burlingame On Dec. 4

Mayor Allan F. Hunt of Burlingame today announced the personnel of a committee to undertake a study of the proposed cities-county form of government for San Mateo county. Hunt also set the first meeting of the committee for the Burlingame City Hall on December 4, at 7:30 o'clock.

In his announcement, Mayor Hunt called attention that "this job cut out for us is huge and we will have the satisfaction of presenting a concrete charter as to what can be done and then it is up to the voters to say what will be done."

On the committee will be the following mayors and city attorneys, the first named being mayors:

Atherton—J. A. Donohoe, A. H. Redington; Bayshore, John P. Larson, H. H. Smith; Belmont, Chris L. Jordan, Albert Mansfield; Burlingame, Allan F. Hunt, John F. Davis; Daly City, H. H. Smith, J. E. McCurdy; Redwood City, Charles Lambert, Albert Mansfield; San Bruno, E. J. McGuire, R. A. Rapsey; San Carlos, Asa E. Hull, Albert Mansfield; San Mateo, A. R. Cotton, E. A. Wilson; South San Francisco, Reese Lloyd, J. W. Coleberd; Hillsborough, Robert G. Hooker, A. H. Redington; Lawndale, C. J. Newell Sr., Hall C. Ross; Menlo Park, James E. Coopty, Walter T. Kellogg, county exer, J. F. O'Keefe; San Mateo counecutive, and Edmund Scott, district attorney; chambers of commerce, all cities.

TOPICS LISTED FOR CLASS HERE

Current Events Class Plans Second Meet At Sequoia

"Our Economic Inheritance," and "The New Alignment in Europe," are the two topics to be discussed this evening under the leadership of R. G.Hellbaum at the second meeting of the new current events class at Sequoia high school. The class, which is open to the public without charge, will convene in room 9 at 7:30 p. m.

An hour will be devoted to each subject, according to Hellbaum, who is connected with the SERA adult education department in San Jose. A graduate of the University of Minnesota, Hellbaum had eight years of teaching experience in Spokane. He now leads three adult classes in San Jose and one in Palo Alto.

Subject material for discussion in the classes is obtained by Hellbaum and his associates, under the leadership of David L. MacKaye, noted educator, from their own "clipping bureau" which uses more than 60 magazines and newspapers. Twelve instructors, cohorts of Hellbaum, take the material and discuss it among themselves before presenting it to classes.

CARDS PICKED AS WEST TEAM IN ROSE BOWL

Selection of Opponent To Await Results Of Final Tilts

Formal announcement of the selection of Stanford University's football team as the representative of the West in the Rose Bowl New Year's Day game at Pasadena was made on Monday by Professor Hugh Willett of the University of Southern California. Willett is head of the Pacific Coast Conference faculty committee.

Members of the conference voted by telegraph on the selection. Stanford stood out as the logical candidate, having been neither defeated nor tied in conference competition. The Cardinals won five games, and their nearest competitors, the Washington State Cougars, won four and tied one.

With coastwide interest centering on the selection of an opponent for the Cardinals in the Rose Bowl game, Graduate Manager Al Masters announced that Stanford has not issued an invitation to any eastern team yet, and will issue none until after Thanksgiving.

Teams under consideration, according to Masters, are Minnesota, Alabama, Temple and Colgate. Minnesota and Alabama are undefeated and untied, while Temple has only one tie to mar an otherwise perfect record. Colgate has suffered one defeat.

Minnesota ended its season Saturday with an overwhelming defeat of Wisconsin, and the other three have their last games on Thanksgiving Day. Temple, coached by "Pop" Warner, former Stanford mentor, plays Bucknell. Colgate, coached by Andy Kerr, also a former Stanford coach, plays Brown College. Alabama plays Vanderbilt.
